INDEX.

Original Communications and Clinical, Pathological and Bacteriological Memoranda.

PAGE

Aldridge, J. S. and **Kirk, R.**—Mycetoma of the eyelid 211
Arndt, E. W.—Lens sliding in removal of cataracts 182

Ballantyne, A. J.—Buphthalmos with facial naevus and allied conditions ... 65
Boros, Béla.—Retinitis stellata in connection with focal infection 137
——— Vasoneurosis with eye symptoms 179
Brooks, W. D. Wykeham, Juler, F. A., and **Williams, E. Rohan.**—On the relationship between chronic iridocyclitis and tuberculosis, and the appropriate therapy 317
Burns, W. Lindsay.—*See* Zorab, E. C.
Buxton, Robert.—*See* Harman, N. Bishop.

Chitnis, V. K.—*See* Duggan, Sir J. N.

Dallos, Josef.—*See* Williamson-Noble, F. A.
Davson, Hugh.—*See* Duke-Elder, Sir Stewart.
Duggan, Sir J. N. and **Chitnis, V. K.**—The development of ophthalmology in Bombay 213
Duke-Elder, Sir Stewart, Quilliam, J. C. and **Davson, Hugh.**—Some observations on the present position of our knowledge of the intra-ocular fluid 421

East, Terence and **Savin, L. H.**—A case of Gaucher's disease with biopsy of the typical pingueculae 611
Evans, J. Jameson.—Cerebral fat embolism with recovery and involvement of the central retinal artery 614

Ferree, C. E. and **Rand, G.**—Pilot fitness, a safety factor in aviation ... 581

Garrow, Alexander and **Michaelson, I. C.**—A case of exfoliation of the lens capsule with the pathological report 400
Glücksmann, A.—Development and differentiation of the tadpole eye ... 153
Grimsdale, Harold.—Spasm of a branch of the central artery. A personal experience 208
Grüneberg, Hans.—A note on the genetic aspects of macular dystrophies ... 530

Harman, N. Bishop and **Buxton, Robert.**—Dislocation of the lenses, with other congenital defects: secondary glaucoma 135

Juler, F. A.—*See* Brooks, W. D. Wykeham.

Kamel, Sabri.—A new knife for doing Van Millingen's grafting operation 567
Kirk, R.—*See* Aldridge, J. S.

PAGE

Livingston, P. C. and **Walker, H. M.**—A study of the effects of liquid mustard gas upon the eyes of rabbits and of certain methods of treatment 67
Lodge, W. O.—Memorandum. A bodkin for strabismus operations ... 407
Loewenstein, Arnold.—Specific inflammation of the cornea in chicken-pox 391
Lythgoe, R. J.—The mechanism of dark adaptation 21

Mann, Ida.—Convergence deficiency 373
——— and **Pullinger, B. D.**—Experiments on the effect of ascorbic acid in mustard gas burns of the eye 444
——— *See* Williamson-Noble, F. A.
Michaelson, I. C.—*See* Garrow, A.
Morgan, O. Gayer.—Convergence weakness 564
——— Some cases of traumatic myopia 403

Neame, Humphrey.—Multiple ruptures of choroid with retention of good vision 399
Norman, R. M.—*See* Whitnall, S. E.

O'Day, Kevin.—The fundus and fovea centralis of the albatross (Diomedea cauta-cauta-Gould) 201

Philps, A. Seymour.—Post-cataract hyphaema 122
Pullinger, B. D.—*See* Mann, Ida.

Quilliam, J. C.—*See* Duke Elder, Sir Stewart.

Rand, G.—*See* Ferree, C. E.

Savin, L. H.—*See* East, Terence.
Savin, L. H. and **Tyrrell, T. M.**—A preliminary note on the use of retro-bulbar proctocaine anaesthesia for the relief of intractable ocular pain 560
Shimkin, N. I.—Ophthalmic injuries in war 265
Smithers, D. Waldron.—X-ray treatment of malignant tumours in the region of the eyes 105
Sorsby, Arnold.—The dystrophies of the macula 469
Stallard, H. B.—An improvised eye-irrigator for use in the field 53
——— A case of chronic granuloma of the lacrymal sac... 457
——— Boeck's sarcoidosis of the lacrymal gland 451
——— Metastatic carcinoma of the iris. Clinically simulating gumma ... 541

Travers, T. a'B.—The origin of abnormal retinal correspondence 58
Tyrrell, T. M.—*See* Savin, L. H.

Vogt, Alfred.—Cyclodiathermy puncture in cases of glaucoma 288

Walker, H. M.—*See* Livingston, P. C.
Whitnall, S. E. and **Norman, R. M.**—Microphthalmia and the visual pathways. A case associated with blindness and imbecility, and sex-linked 229
Williams, E. Rohan.—See Brooks, W. D. Wykeham.
Williamson-Noble, F. A., Dallos, Josef and **Mann, Ida.**—Sphero-cylindrical contact lenses. A preliminary note 43
Wright, R. E.—Trachoma. (Some experimental data with a clinical interest from the records of a combined aetiological investigation by various members of the Government Ophthalmic Hospital, and the King Institute of Preventive Medicine, Madras, 1935, 1936, 1937) 547
Wright, W. D.—The response of the eye to light in relation to the measurement of subjective brightness and contrast 1

PAGE

Young, J. Horton.—Amblyopia ex anopsia in children 297
——— Rare ocular developmental anomalies in association with congenital and acquired blindness. Clinical " proof " of vitreous development 597

Zorab, Edward C. and **Burns, W. Lindsay.**—A case of luxatio bulbi ... 286

SUBJECTS.

PAGE

Accommodation, axial displacement of the poles of the lens in 367
Acetylcholine and ultra-violet rays, the variation of the arterial pressure both general and retinal under 464
Adie's syndrome 147
Albatross, the fundus and fovea centralis of the 201
Amblyopia, ex anopsia in children 297
toxic from filix mas 191
transitory, after cataract extraction 623
Ametropes, the vision of ... 467
Anaesthesia, a preliminary note on the use of retro-bulbar proctocaine 560
(correspondence) 627
Aneurysm, intracranial, producing bilateral eye signs ... 409
Annotations ... 46, 98, 139, 189 245, 302, 366, 408 459, 534, 570, 616
Anterior chamber, paracentesis of, in the treatment of various ocular diseases 189
Aphakia, congenital with hyaloid artery and retinal fold ... 258
Appointments 468
Army, recruiting centres, need for ophthalmic advice (Annotation) 98
some ophthalmic problems (Annotation) 245
Arterio-venous fistula, post traumatic 367
Artery, central retinal, cerebral fat embolism with recovery and involvement of 614
spasm of a branch of the central 208
Ascorbic Acid, experiments on the effect of, in mustard gas burns of the eye ... 444
Astigmatism, corneal and total 312
Australian Medical Congress ... 52
Aviation, pilot fitness, a safety factor in 581

PAGE

Bitot's Spots, in Ceylon 463
Blindness, Association for the prevention of, in Bengal (Annotation) 534
on the subject of, partial sightedness and the history of the Braille type 256
rare ocular developmental anomalies in association with congenital and acquired. Clinical "proof" of vitreous development 597
Blind Spot (Annotation) ... 139
influence of intensity of illumination on the size of ... 100
Boeck's sarcoidosis of the lacrymal gland 451
Bombay, development of ophthalmology in 213
Braille type, history of, on subject of blindness and partial sightedness ... 256
British Ophthalmologists, Council of 303
Buphthalmos, with facial naevus and allied conditions ... 65

Caffeine, the influence of, on the colour sensitivity ... 258
Carcinoma, metastatic, of the choroid, secondary to mammary, in a man ... 368
metastatic of the iris ... 574
metastatic of the iris. Clinically simulating gumma 541
Cataract, an investigation of experimental, in the albino rat 309
experimental, from dinitrophenol 252
extraction, transitory amblyopia after 623
galactose 466
in native sprue 623
lens sliding in removal of ... 182
operation, management of glaucoma following ... 145
X-ray 251
Celloidin, the hot technique ... 369
Central artery, spasm of a branch of, a personal experience 208

PAGE

Central retinal artery, cerebral fat embolism with recovery and involvement of 614
Chicken pox, specific inflammation of the cornea in ... 391
Children, amblyopia ex anopsia in 297
Leeds reading aid (Annotation) 46
Chordoma, symptoms simulating glaucoma in case of ... 196
Choroid, metastatic carcinoma of secondary to mammary carcinoma 368
multiple ruptures of, with retention of good vision 399
retroretinal tissue from, in Kuhnt-Junius degeneration of the macula ... 573
Choroiditis, acute exudative ... 577
Colour sensitivity, the influence of caffeine on the ... 258
of the eye, the influence of the loudness of indirect sound stimulus on the ... 413
vision, mass testing of (Annotation) 245
Congenital, absence of tears ... 369
aphakia, with hyaloid artery and retinal fold 258
defects, secondary glaucoma 135
Conjunctivitis, case of Parinaud's, due to infection ... 246
gonococcal, Uleron in the treatment of 144
plasmomatosa, recent investigation on 461
the significance of bacterial flora in 259
Conjunctivae, erythema nodosum with nodules in ... 193
Convergence deficiency 373
weakness 564
Cornea, glycolysis and respiration of the, in albino rats lacking vitamin A ... 619
on the recurrence of syphilitic interstitial keratitis ... 248
primary lamellated calcareous degeneration of the 467
respiration and glycolysis of 618
specific inflammation of, in chicken pox 391
transplantation of the, report of a perfect result ... 255
tropho-degenerative adiposia of the 617
Corneae, dystrophia adiposa ... 462
Corneal degeneration, two rare forms of 617

PAGE

Corneal graft, a cavity in a ... 467
herpes associated with the Claud Bernard-Horner syndrome 249
herpes and keratitis disciformis 249
lesions in marble workers ... 100
Correspondence ... 50, 151, 198 370, 414, 578, 626, 627
Cyclodiathermy puncture in cases of glaucoma 288, 626

Dacryocystitis, chronic, transplantation of lacrimal sac 256
Dark Adaptation, mechanism of 21
monocular and binocular threshold values of the eye in day vision and night vision 195
Degeneratio tapetochorio-idealis centralis progressiva ... 411
Detachment of the retina, the origin and treatment of 461
Diet, in relation to health ... 151
D. O. M. and S., Eng. 420
Dystrophia adiposa corneae ... 462
Dystrophies, of the macula ... 469
of the macula, incomplete sex linkage and 578
macular, a note on the genetic aspect of 530
Dystrophy, macular corneal ... 619

Eclamptic retinitis, and its pathological anatomy ... 409
Entropion of the upper lid after tarsectomy; operation to correct 536
Epithelioma, primary, of the Meibomian glands with epithelioma of the cornea from contact 247
Erythema nodosum, with nodules in the conjunctivae ... 193
Eye, chemical injuries of the ... 537
-hazards in industry (Note) 628
irrigator, improvised for use in the field 53
microbic infection of, action of para-amino phenylsulphamide in 141
response to light in relation to the measurement of subjective brightness and contrast 1
-symptoms, vasoneurosis with 179
tadpole, development and differentiation of ... 153
the cosmetic (Annotation) ... 408
Eye-drops, standardization of the preparation of ... 192

PAGE

Eye lid, mycetoma of the ... 211
Eyes, disease of, treatment with Grenz rays 145
malignant tumours in region of, X-ray treatment ... 105
tonic deviations of, produced by movements of head ... 572

Facial naevus, buphthalmos with 65
Filix mas, toxic amblyopia from 191
Flying personnel, selection of ... 535
Focal infection, iridocyclitis and retinitis stellata in connection with 137
Foreign bodies, ophthalmic eye lithotrite for removal of non-magnetic intra-ocular 414
Fovea centralis, the vascular system of 572
Fowls, iritis (white eye) in ... 50
Fundus and fovea centralis of the albatross 201
Future arrangements 52, 104, 152 200, 264, 316, 372, 540, 580

Galactose cataract 466
Gaucher's disease, a case of, with biopsy of the typical pingueculae 611
Glaucoma, cyclodiathermy puncture in cases of ... 288, 626
can transudation from the retinal vessels influence? 196
management of, following cataract operation ... 145
notes on the heredity of ... 412
ophthalmoscopy through the hazy cornea in 572
secondary (dislocation of lenses) 135
symptoms simulating, in a case of chordoma ... 196
treatment of, with splenic extract 146
Glioma, primary (spongioblastoma) of the optic nerve with "meningiomatosis" of the sheaths 192
Granuloma, of the lacrymal sac, a case of chronic ... 457
Grenz rays, treatment of diseases of the eye with 145
Gumma, metastatic carcinoma of the iris, clinically simulating 574

Haemoclasic reaction, in luetics with ocular signs ... 193
Heredity, of glaucoma, notes on 412
Herman Knapp Memorial Eye Hospital 51

PAGE

Herpes cornealis and keratitis disciformis 249
Honours 51, 372
Hyaloid canal, visibility of the ... 191
Hyphaema, post cataract ... 122

Illumination, on the size of the blind spot (influence of intensity) 100
Injuries, chemical, of the eye ... 537
Interstitial keratitis, caused by specific sensitivity to ingested foods 461
recurrence, acuity of vision, etc. 248
Intra-cranial aneurysm producing bilateral eye signs ... 409
Intra-ocular fluid, some observations on the present position of our knowledge of 421
Iontophoresis in ophthalmology 196
Irido-cyclitis, and focal infection 621
chronic, on the relationship between, and tuberculosis, and the appropriate therapy 317
Iris, metastatic carcinoma of ... 574
metastatic carcinoma of, clinically simulating gumma 541
tumours of the 48
Irish Ophthalmological Society 264
Iritis (white eye) in fowls ... 50

Keratitis, bullous, experimental production of so-called 576
disciform, from vaccine virus 249
disciform, treated by vitamin B 250
punctate, prevention of ... 413
rosacea, and conditions with vascularization of cornea treated with riboflavin 575, 578
sympathetic ophthalmitis and herpetic 620
Keratoplasty, a case of 369
with grafts preserved in formalin 619
Knapp Memorial Eye Hospital 51

Lacrymal gland, Boeck's sarcoidosis of the 451
sac, case of chronic granuloma of 457
sac, transplantation (implantation) of, in chronic dacryocystitis 256
Lacrymal glands, symmetrical lymphomata of 622

PAGE

Lamina vitrea, certain retinopathies due to changes in 310
Laurence-Biedl syndrome ... 49
Leeds reading aid for partially sighted children (Annotation) 46
Lens, axial displacement of the poles, in accommodation 367
capsule, a case of exfoliation of, with the pathological report 400
respiration and glycolysis of the cataractous 251
sliding, in removal of cataracts 182
Lenses, dislocation of, secondary glaucoma... 135
nitrogen content of cataractous and sclerosed human 250
sphero-cylindrical contact ... 43
Leslie Dana gold medal ... 372
Lids, some results of reconstruction, after gross losses... 195
Luxatio bulbi, a case of... ... 286
Lymphomata, symmetrical, of the lacrymal glands ... 622

Macula, dystrophies of 469
dystrophies of. incomplete sex linkage and 578
dystrophies, note on the genetic aspects of ... 530
retro retinal tissue from the choroid in Kuhnt-Junius degeneration of 573
Macular corneal dystrophy ... 619
M. and B. 693, treatment of ulcus serpens corneae with 249
Malignant tumours in region of eyes: X-ray treatment... 105
Man and the machine (Annotation) 616
Marble-workers, corneal lesions in 100
Medicine in Australia and refugees 620
Meibomian glands, primary epithelioma of, with epithelioma of the cornea from contact 247
Mecurochrome, as an antiseptic in ophthalmic practice... 536
Metastatic carcinoma—see under carcinoma ... ...
Microphthalmia, and the visual pathways... 229
Monocular, and binocular threshold values in dark adaptation of the eye ... 195

PAGE

Montgomery Lecture 316
Muscles moving the eye vertically, the diagnosis of paralyses and contractures of 143
Mustard gas, and its implications 370, 415
burns of the eye, experiments on the effect of ascorbic acid 444
liquid effect upon eyes of rabbits and treatment ... 67
Mycetoma of the eyelid... ... 211
Myopia, transitory, three cases of 414
transitory, following dosing with sulphamides ... 466
traumatic, some cases of ... 403

Nerve, third, case of paralysis with disturbance of swallowing and speaking ... 194
North of England Ophthalmological Society (Council 1940-41) 264, 580
Notes 51, 52, 104, 152, 200, 264, 316, 372, 420, 468, 580, 628

Obituary 51, 152, 199, 264, 371, 416, 418, 420, 468
Ocular changes due to stovarsol 49
signs, haemoclasic reaction in luetics with 193
tension, investigations on the simultaneous action of miotics and mydriatics on 412
